Final order documentation is on its way to the factory, where the assembly line is being prepped, materials are being ordered and production is being scheduled. Once in production, your vehicle will continue down the assembly line where it will receive the quality manufacturing that makes it a Chevrolet. Check back soon to view your vehicle’s most recent status.

Your new Chevrolet is on its way to the dealership. Depending on your location, your vehicle ship time will vary. While en route, you may want to search the accessories area by clicking on the lower right to make some final touches to your new vehicle. Check back soon to see when your vehicle has arrived so you can pick it up at your dealer of purchase.
