

Camaro Fest XI – Drag Racing
Beech Bend Raceway Park, Bowling Green, KY
Friday, July 8th and 9th, 2022

CAMARO FEST

Camaro Fest Drag Racing is open to all cars; however, award competition is reserved for Camaros. Format is Index racing so any Camaro model or year can compete against each other in their respective index group. (Example: If your car normally runs a 13.0 ¼ mile time you would want to enter the 12.5 index class).

Open Racing, otherwise known as "Fun Runs or Test & Tune" will be available throughout the day! If you don't wish to formally compete in a class that's perfectly fine; we'll get you on track with MUCH shorter lines than you might find at an open racing night at your local drag strip!

Note: Camaros may run the Unlimited or SBE classes in addition to one Index Class.

HEADS UP CLASSES (pro-tree, pro ladder)

UNLIMITED: Any Camaro or Firebird. Unlimited modifications. Any Driver

Stock Bottom End (SBE) Any 5/6-Gen naturally-aspirated Camaro – SBE. (No nitrous)

INDEX RACING GOUPS

Open to all Camaros and Firebirds.

Heads up racing, Pro Tree, Random pairing and car loses if it goes faster than the index. If both cars breakout the slowest car wins the round.

9.5 Index: Any Camaro – Cannot run faster than 9.5

10.5 Index: Any Camaro – Cannot run faster than 10.5

11.5 Index: Any Camaro – Cannot run faster than 11.5

12.5 Index: Any Camaro – Cannot run faster than 12.5

13.5 Index: Any Camaro – Cannot run faster than 13.5

14.5 Index: Any Camaro – Cannot run faster than 14.5

Tech Cards

Tech Cards will be handed out with your racer wristband at the host hotel during the Meet'N Greet on Thursday evening. Please indicate that you will be drag racing, so you can get one. If, for whatever reason, you do not get one on Thursday, they will be available at the tech station.

There is no pre-registration required for Drag Racing at Camaro Fest. Simply purchase your racer's wristband online at Camarofest.org/store.
