

2010 CAMARO

INITIAL ORDERING WORKBOOK

KEY CAMARO **ACCESSORIES**

Camaro customers will seek to personalize their new Camaro, and Chevrolet Accessories will offer a robust portfolio exclusively backed by GM warranty. Your customers will appreciate the quality, ease of purchase and installation that is available to them through Chevrolet Accessories. **In fact, select accessories are offered as dealer-ordered LPO accessory options. Dealers can order them right on Workbench Configurator.** It's as easy as checking the box! Some of the benefits of an LPO include the ease of ordering, the ability to roll the accessory into the floor planning and the accessory being **added to the Window Label (therefore it can be residualized.)** With the LPOs documented on the Window Label, it allows you to offer the customer who is seeking a distinct collectible an opportunity to select a unique combination of Genuine Chevrolet Accessories. Some of the available dealer-ordered LPOs are listed below with their respective RPO codes. Look out for additional LPOs that become available throughout the model year.
