

2010 Panama City Jaycees Christmas Parade Meeting Notes

1. The Jaycee's committee has asked for all participants to be downtown (Panama City) around 12:00 pm on December 4th. At approximately 1:00 pm, the police department will be blocking off streets in preparation for the parade, which starts at 5:45 pm. We are to meet somewhere around Jenks / Harrison and 4th street. They mentioned that they would have several people in golf carts giving us participants directions on where to go. We will not be getting our line-up number until after December 1st. Once I have that, I will send that to all of you. I'm sure the Jaycee's committee will need this information from each one of us when we arrive so that they may direct us to where we need to be. We all need to be together, so please make sure we have plenty of room.
2. The Parade starts precisely at 5:45. This will be live coverage through Fox.
3. Cars in our group:
 - a. Jenifers Bee – Rally Yellow
 - b. Acatlover13– Inferno Orange
 - c. Orange10s.c.– Inferno Orange
 - d. Ducatisl– Black
 - e. Screaming Mimi – Red Jewel
 - f. Marvin Martian – Synergy Green
 - g. Trss2– Black
4. Once we all meet, we will go over the plan for pairing up. We might have Gary be the lead by himself with two paired behind him and so forth.
5. Theme for this year will be Candy Canes and Gingerbread. All floats/cars must be decorated in accordance to theme. They chose the Candy Canes and Gingerbread theme due to the economy. Times are tough and with this type of theme, everyone can afford to decorate their float/car in some unique way to show their Christmas spirit and to impress

those who are watching, either on the sidewalks or at home on the television. They could not stress the importance of decorations.

6. Do not decorate the passenger top left corner of the front windshield. Leave space for the Jaycees committee to put our number there.
7. You can have walkers next to the car passing out candy, however, do not throw the candy or toss it. (This is what my son will be doing)
9. Be creative with your decoration ideas! I'm sure we can all come up with something spectacular for our camaros. As for myself, I will be bringing my decorations with me so I can put it all together there.
10. Please let me know if you have any questions. Can't wait to see you all there!
